**1. Ninth grade students are required to take the following core Pre-IB Diploma Program *Honors* courses:**

*Algebra II, English I, US Government (1 semester)/World History (1 semester), Biology I, and Inquiry Skills*

**2. In addition, all ninth graders select a foreign language that they will take for four years. Please check your foreign language choice below:**

Check One	
Spanish – pre IB	
French – pre IB	

Notes: Even if a student has already completed high school foreign language credits, the student will begin in Spanish or French pre-IB level I. The foreign language program of IB is rigorous and unique. Over the course of four years students take French or Spanish I-pre-IB, French or Spanish II-pre IB, IB French or Spanish IV, and IB French or Spanish V.

**3. It is recommended that all ninth grade students take a full 90 minute JA (study hall) every day all year. By choosing an elective, you are limiting JA time. We do understand that students enjoy elective courses and if you are interested in an elective, we will enroll you in the course, schedule permitting. Elective courses are held every day and are paired with approximately 35 minutes of JA. Please check one option below and if applicable print the name of the elective(s) you wish to take in the chart below. Electives are listed on the back.**
